

## PRESS RELEASE

### **Arneg Brasil celebrates 50 years: a historic milestone celebrated at APAS Show 2025.**

**São Paulo, Brazil, May 14, 2025** – Arneg Brasil, a leading player in the commercial refrigeration sector in Brazil, proudly celebrates its 50th anniversary—a milestone that reflects half a century of commitment, innovation, and growth alongside the country's major retail players.

This anniversary marks a pivotal moment in the company's history, reinforcing its role as a strategic partner in the development of cutting-edge, sustainable solutions aligned with the needs of a constantly evolving market. It is a story built on strong relationships, a global vision, and a deep connection with the local community.

To honor this journey, Arneg has chosen a prestigious stage: APAS Show 2025, the largest food & beverage and retail industry event in the Americas. Participating in this event represents a unique opportunity to celebrate past achievements and strengthen the brand's presence both nationally and internationally.

Paulo Solimeo, CEO of Arneg Brasil, commented:

"Celebrating 50 years of business in a fascinating and complex country like Brazil is a source of great pride. Arneg Brasil has demonstrated resilience, innovation, and strength—even in the face of macroeconomic challenges over the years. This anniversary symbolizes a story built day by day, thanks to the dedication of our employees, the trust of our customers, and the loyalty of our partners." Solimeo added: "We look to the past with gratitude and to the future with determination. Our goal is to continue growing by investing in technology, sustainability, and human relationships—meeting market challenges with confidence while remaining true to the values that have guided us for fifty years. Only those who work with passion, integrity, and commitment can stand the test of time. We are ready to face the next 50 years with the same energy that has brought us this far."

Daniele Marzaro, CEO of Arneg Group's international subsidiaries, also emphasized the importance of this milestone:

"The 50th anniversary of Arneg Brasil is not only a moment to celebrate our history, but also an opportunity to strengthen the bond with those who choose us every day. True to the Arneg Group's mission, we are constantly working to develop state-of-the-art solutions that respond to the challenges of an ever-evolving market. Innovation, environmental sustainability, energy efficiency, and above all, service

quality—these are the values that guide our work and continue to build, day after day, the trusted relationships with our customers, who are the true heartbeat of everything we do." Marzaro concluded: "We are proud to celebrate this major milestone at the APAS Show, alongside all those who have supported us throughout this journey. Their trust and collaboration have been fundamental in shaping the company's history and success, year after year."

With a solid and long-standing presence in Brazil, Arneg continues to invest in advanced, sustainable technologies—actively contributing to the growth and development of the commercial refrigeration industry across the country.

**Arneg S.p.A.**

*Arneg was founded in 1963 in the province of Padua. From the very beginning, founders Roberto Marzaro and Luigi Finco instilled in the company strong principles and moral values rooted in the popular culture of the Veneto region. These values can be summed up in a quote from Mr. Marzaro: "Dream with courage, ethics, common sense, and imagination."*

*Guided by this spirit, Arneg has grown steadily, with a strong belief in the importance of a production model that is mindful of key issues such as environmental protection, energy conservation, and respect for people. Today, Arneg is a global leader in the design, production, and installation of commercial refrigeration systems and complete equipment solutions for the retail sector. It stands out in the market for its ability to create customized projects that combine high performance, eco-sustainable innovation, energy-saving optimization, and Italian-made design.*

**The Arneg Group**

*An international leader in the design, production, and installation of complete equipment for the retail sector, the Arneg Group operates worldwide through its leading brands—Arneg, Incold, Intrac, Oscartielle, and Frigo Tecnica Internazionale—with 21 manufacturing sites and 21 sales offices and representative branches. This global position has been achieved by harnessing synergies across its companies and by sharing a wealth of knowledge and ideas throughout the group's extensive production and distribution network on every continent. All of this contributes actively to sustainable growth and development, driven by a new business ethic—more evolved, inclusive, and collaborative.*
