

Artisan soul,
innovative personality

Alberto
Refrigeration system mechanical designer

*We take the time we need to build
a new refrigeration system*

**YOU CAN RELAX IN THE KNOWLEDGE
THAT OUR SYSTEMS COMBINE
MAXIMUM PERFORMANCE
WITH MINIMUM DIMENSIONS.**

GLOBO and **MINI BOOSTER** are the creations of Arneg's R&D department. Thanks to their extended power range, these two innovative technical solutions combine NT and LT refrigeration in the same unit to deliver maximum efficiency in a minimum of space.
